FENCING PRODUCTS

J. A. Cissel offers a large selection of fencing products with a wide range of opacities, dimensions, materials, types of installation, permanance and durability.

274 MASTERSHADE PLUS (75% Opacity)

Combines long lasting good looks with increased stability and opacity - all at a very attractive price. Thanks to a special "heat set" treatment applied to the fabric, our popular Mastershade Plus windscreen lays flat and straight on the fence with no bellowing or rippling. Hems are 3-ply construction with a heavy-duty 18 oz. vinyl binding and brass grommets every 15". 9 ft. pieces come with anti-billow tabs built right into the construction. 6 ft. or 9 ft. heights (heights can vary +4", or up to 6 ft.-4" or 9 ft.-4"). Dark Green or Black. **TWO-YEAR WARRANTY.**

MASTERSHADE (70% Opacity)

A low-cost, long-lasting alternative to custom windscreens. Made of 8 oz. knitted high-density polyethylene monofilament with superior UV-resistance properties. Extra heavy selvage along top and bottom hems provide for more secure installations with less scalloping than any other knitted windscreens. No grommets needed. Comes in 120 ft. L rolls, 6 ft. or 9 ft. high. Dark Green or Black. **THREE-YEAR WARRANTY.**

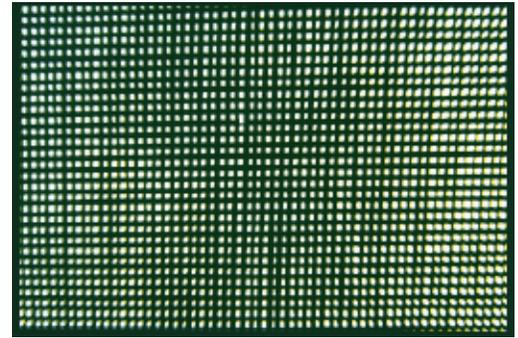

109	6 ft. X 120 ft.	110	9 ft. X 120 ft.
2393	6 ft. X 50 ft.	2395	9 ft. X 50 ft.
2392	6 ft. X 100 ft.	2394	9 ft. X 100 ft.

129	6 ft. X 120 ft.	130	9 ft. X 120 ft.
132	6 ft. X 50 ft.	134	9 ft. X 50 ft.
131	6 ft. X 100 ft.	133	9 ft. X 100 ft.

MASTERSHADE HEMMED & GROMMETED

105 ROYALE-SCREEN OPEN MESH (80% Opacity)

The industry's most durable windscreen product. Made of 10 oz. vinyl-coated polyester. The extra heavy selvage is heat-sealed to form attractive, long-lasting hems. Brass grommets spaced every 12" along the perimeter for a professional looking installation. 6 ft. or 9 ft. heights. Dark Green or Black. *THREE-YEAR WARRANTY*

104 ROYAL-SCREEN CLOSED MESH (95% Opacity)

Made of extra-dense 13 oz. vinyl-coated polyester. Constructed with heat-sealed hems for superior performance and aesthetics. Brass grommets every 12" along the perimeter for a professional looking installation. Special caution and consideration of wind conditions and fence strength should be taken before installation of any closed mesh windscreen. 6 ft. or 9 ft. heights. Dark Green or Black. *THREE-YEAR WARRANTY*

PRIVACY MASTER

Provide a visual barrier for building sites, factories, airports and residences. Simple and easy to install on chain link fences. Made of green knitted polyethylene film with reinforced selvage edge.

- 3134 44" x 150 ft.
- 3135 68" x 150 ft.
- 3136 92" x 150 ft.

PRIVACY MASTER PLUS (Hemmed and grommeted)

- 1020 41 x 150 ft.
- 1021 65 x 150 ft.
- 1022 89 x 150 ft.
- 1023 Custom lengths x 41 H, 65 H or 89 H

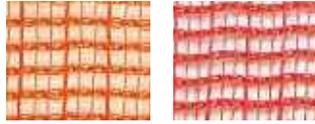

9504 BASEBALL/SOFTBALL NETTING

Heavy-duty weather-treated and UV-stabilized knotless nylon in 1 5/8" mesh. Great for backstops, boundary netting around the baseball fields. This is available in 12 ft. width and made to your custom length.

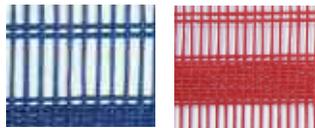

7015 FENCE-ALL KNITTED FENCING

Will not rust, rot or mildew. Lightweight for easy handling and storage. Constructed of flexible, knitted UV-stabilized olefin. Economical and reusable. 46" x 150 ft. Green, Orange, Red.

7002 QUIK FENCE

Strong, heat-finished vinyl-coated polyester fencing is ideal for crowd control. Screen printable for event advertising and logos. 46" x 150 ft. Green, Blue, Red.

1003 CROWD CONTROL

Effective and inexpensive crowd control, especially useful during sporting events. Heavy-duty green polyethylene twisted cord combines unobtrusive appearance with maximum strength. Crowd Control netting is bound on top with yellow vinyl-coated tape. Available in 4 ft., 5 ft. or 6 ft. heights and lengths up to 300 ft. Green.

7020 SPORTS FENCE

Great for crowd control at events and facilities. Heavy Duty. Highly visible. UV stabilized for long-term installation. Mesh of 3/8" allows wind flow. 4 ft. x 150 ft. Other sizes available. Green, Blue, Orange, Red.

GOLF

POLY-P HEAVY-DUTY NETTING

Stops off-course golf balls. Made of 7/8" mesh of durable olefin fiber. Will not rust or rot, 75 lbs. per mesh breaking strength. Dark Green. Available in widths, of 6 1/2 ft. to 50 ft. and in lengths to 50 ft.
FIVE-YEAR WARRANTY

TOPRITE[®] GAME BIRD NETTING

Strong 30 lb. breaking strength polypropylene. Lightweight, economical, available in wider widths. Ideal for use with quail in non-snow areas. Also good for brooder pens for larger breeds. Recommended for quail and similar size birds.
