

## HARD COURT MAINTENANCE SUPPLIES

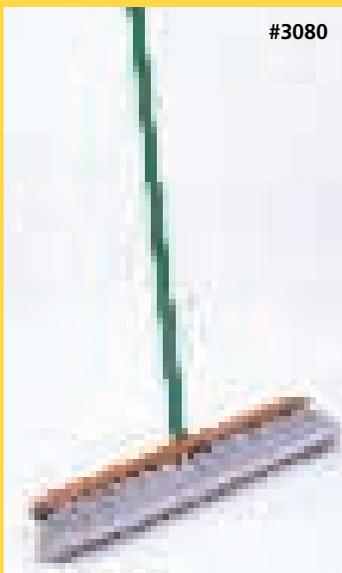

**#3151R**  
**4" PVA REPLACEMENT ROLLER**  
4" Diameter Blue PVA Foam Roller, 36" L. 3 lbs.

**#3152R**  
**2" PVA REPLACEMENT ROLLER**  
2" Diameter Blue PVA Foam Roller, 36" L. 2 lbs.

**#208S**  
**SEAMLESS REPLACEMENT ROLLER**  
Polyurethane foam roller. Construction resists tears and separation. Made of new and improved double-porous foam. Extra-thick 36" L. 3 lbs.

**#208**  
**SEAMED REPLACEMENT ROLLER**  
Standard seamed roller of polyurethane foam for #233 unit. 36" L. 2 lbs.

**Our 2" and 4" Replacement Roller, 36"L., of Blue PVA foam, will fit most frames on the market today including Rol-dri, E-Z Dri, Aqua Flex, Spin Dry, Clean Sweep, Miracle Sweep, & Royale Sweep Court Dryer.**

**#3080**  
**COURT SWEEP BROOM**  
Easily maneuverable; synthetic brush provides effective sweeping action and long brush life. Excellent for hard or soft courts. 60" handle of metal tubular steel thread. 24" L brush, 3" L bristles. 5 lbs.

**#3150R**  
**COURTMASTER DELUXE COURT DRYER**  
Produces a clean 36" wide sweep that squeezes water ahead of the roller. Rolling-seal action doesn't skip depressions. Works on any hard-surface court with no scraping or damage to court; great around pools, on driveways, for golf greens. Chrome plated steel handle and frame. 10 lbs.

**#233**  
**COURTMASTER COURT DRYER**  
Same as #3150R except with #208S foam roller 4" dia., 36" L. 10 lbs.

**#3074 Replacement Socket**  
for #233 or #3150. 1 lb.

**#3075 Replacement End Cap**  
for #233 or #3150. 1 lb.

**#3076 Replacement 36" Axle**  
for #233 or #3150. 1 lb.

**#3077 Replacement Handle**  
for #233 or #3150. 3 lbs.

**#3071**  
**36" HEAVY DUTY AMERICAN WATERBROOM**  
Clean any paved surface, either inside or out. Just connect the Waterbroom to a standard garden hose. Triples the ordinary water pressure, drives away dirt and debris while leaving the pavement dry. Its cleaning power comes from 7 threaded brass nozzles creating a 36" cleaning path. Heavy duty steel & brass construction with double ball bearing casters & brass shut off valve. Ideal for tennis courts, pool decks, garages, driveways, walkways, kennels, drive thru... any place you are cleaning with a hose alone. Completely assembled

**#3150**  
**ROYALE SWEEP COURT DRYING**  
An improved, all-steel powder coated white frame court drying unit guaranteed to work faster, better and longer. Comes with a 4" diameter blue PVA foam roller but also works well with a 2" blue PVA foam roller. 9 lbs.

**#232**  
**SUPER SQUEEGEE**  
Revolutionary court drier with an adjustable angle of application blade. Uses extruded rubber for easy replacement. 50 durometer rubber blade. 6' L, 36" W. 8 lbs.

**#3287**  
**THE RAIN SHUTTLE**  
Strong, light-weight and rust-free. Made of furniture-grade PVC. Easy to use and store. Will not scratch or mar courts. 360° casters. **REDESIGNED**

**#3288 Replacement Blade**  
For #3287 Rain Shuttle. 4 lbs.

**#3070**  
**CLEAN SWEEP WATER BROOM**  
The 8-jet Water Broom is designed to clean large surfaces faster and with less water. Designed to be used with any garden hose; Made of rugged aluminum and brass components; cannot rust. All-metal construction. 6 1/2 lbs.

**#3072**  
**32" MEDIUM DUTY AMERICAN WATERBROOM**  
The 6-jet Water Broom, cleans as effectively and efficiently as the Heavy Duty Industrial model shown right. Cleans a smaller, 32" path and constructed of a lighter gauge steel with brass fittings, 6 rubber and brass push nozzle assemblies, brass on and off valve and double ball bearing rubber casters. Heavy duty enough for industrial/commercial work. Assembly required. 9 lbs.

### SURFACING TOOLS

**#3400 NEOPRENE SURFACING SQUEEGEE 24"**  
Heavy duty steel frame, zinc socket, wood handle. 5/16" x 24" W neoprene rubber blade. Unit can be flipped over for smoothing and light scraping. Replacement blades available. 3 lbs.

**#3401 NEOPRENE SURFACING SQUEEGEE 30"**  
Same as #3400, 30" W. 3 lbs.

**#3402 NEOPRENE SURFACING SQUEEGEE 36"**  
Same as #3400, 36" W. 4 lbs.

**#3403 METAL FRAME SURFACING SQUEEGEE 24"**  
Made of magnesium, which is lighter and stronger than aluminum. 24" W blade. 6' handle. 4 lbs.

**#3404 METAL FRAME SURFACING SQUEEGEE 30"**  
Same as #3403, 30" W blade. 4 lbs.

**#3405 METAL FRAME SURFACING SQUEEGEE 36"**  
Same as #3403, 36" W blade. 4 lbs.

### HARD COURT CRACK REPAIR MATERIAL

**#3308 RHINOFILL II TENNIS COURT CRACK FILLER SYSTEM**

Consists of a synthetic rubber latex liquid and a dry component containing dehydrating powder and curing chemicals. Cures from the inside, which greatly minimizes shrinkage. Provides a smooth monolithic underlayer that readily receives finishing materials. Includes 1 gallon of liquid latex resin, 2 parts dry sand and Portland cement. Shipped in 5-gallon pail. 56 lbs.

### DRYERS AND SWEEPERS

■ REDUCE RAIN DELAYS ■ INCREASE PLAYING TIME!

**#3289**

**E ZEE DRI**

Designed to clean and dry hard courts quickly and easily, reducing rain delays and increasing playing times. Electrically powered suction mechanism at the front of the unit picks up most of the water on the court surface while any remaining moisture is dried/evaporated by the propane powered heater/blower that is located at the back. Can be used indoors or outdoors to eliminate standing water that can damage courts. The E ZEE DRI can also melt a thin layer of ice on court surfaces when used in reverse (pulled vs. pushed) so that the heater precedes the suction. Its 5 gallon tank will dry 2 to 3 courts before it needs to be emptied. 200 lbs.

**#3298**

**KLEEN SWEEP® 35 SWEEPER**

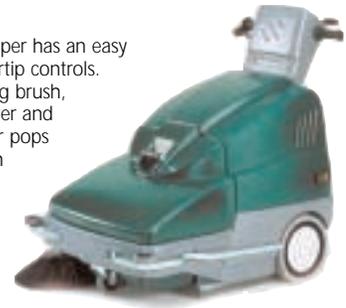

A walk-behind, 35" direct throw power sweeper, cleans up to 55,440 s.f. per hour. Large 2.6 cu.ft. hopper can handle a large variety of debris and has side door for easy waste removal. Designed for indoor/outdoor use. Use on concrete, asphalt, artificial turf, all commercial carpet. Has built-in recharge port safety-interlock, front guide rollers, emergency red stop button, battery charge and hour meter, adjustable handles, cup holder panel. 365 lbs.

**#3087**

**SCOUT 28 SWEEPER**

Indoor/outdoor walk-behind sweeper has an easy 3 wheel turning system and fingertip controls. Front side broom and 28" cleaning brush, sweep up nearly one bushel of litter and debris in the large hopper. Hopper pops out easily for emptying, and brush changes are effortless. Comes standard with a 12-volt, 105 amp hour battery for cordless operation (up to 3 hours). Quiet for noise-sensitive environments. 150 lbs.

**#3299**

**KLEEN SWEEP® 27 SWEEPER**

Ideal for machine shops, stockrooms, parks, small yards, parking areas, tennis courts and loading ramps. 27" sweeper cleans 5 to 7 times faster than manual sweeping. Can clean up to 31,000 s.f. per hour. Injection molded, structural foam poly body ensures durability, prevents rust and adds long life. Rotary side brush sweeps dirt away from walls and corners into the path of the wide main brush, which deposits it directly into a large hopper. Fits easily through standard-size door. 57 lbs
