Hitchnet® Portable Tennis Court

Now you can enjoy a game of tennis anywhere you want, whenever you want! On a basketball court or in a parking lot, wherever you go . . . you have a moveable tennis court!

#3440

HITCHNET PORTABLE TENNIS COURT

- The *Hitchnet* is a revolutionary net system that allows a sturdy post system to be set up between either two vehicles or one vehicle and one stationary pole.
- Attaches to a standard two-inch square receiver on the rear of a vehicle. It takes up minimal room and easily fits in the back of a mini-van or SUV.
- Comes with a pair of Green post "sleeves" plus a pair of Green 2-7/8" round galvanized steel posts (42"L) made specifically for the *Hitchnet* and equipped with our heavy-duty aluminum reel assembly that features a removable handle and ratchet guard for increased safety.
- Patent #6,902,088 B2. Fits any of our nets. 74 lbs.

Assembles in less than 10 minutes

1. Simply slide the sleeve assembly's horizontal bar into the hitch mechanism of your vehicle.
2. Then slide the specially made round net posts into the vertical sleeve and tighten all bolts. Lace up your net and you're ready to play!
