**HOAG PROFESSIONAL LINE BALL BASKETS WITH LIDS**

FLEXIBLE ROD

**FEATURES**

Our professional line of baskets features a rod made of a pliant material (Patent #6,945,578 B2) that flexes slightly as you pick up balls, eliminating bent wires and broken welds. All baskets in the Professional Line except the "Coach" include a stand option option that allows you to swing the handles down, raising the basket to waist level for ball access, and swing the handles up, lowering the basket for ball pick up. Lid included.

**DURABILITY**

We recently redesigned all of our ball baskets, raising the height of the end "V" wires—which holds our flexible center rods—to stop premature wear at this critical point. We also trued and squared all basket components. Our unbreakable basket bottom is constructed without welds, and bottom wires have plastic wear feet— assembled at the factory prior to shipment—for added protection along entire contact points.

LIMITED WARRANTY J.A. Cissel Mfg. Co. ("Cissel") warrants to the original purchaser that the HOAG Ball Basket ("Product") purchased is free from defects in materials and workmanship for a period of 12 months. Should any defect develop under normal use during this time, Cissel will repair or replace defective Product provided it is returned to J.A. Cissel Warehouse in Upland, CA, by a authorized distributor, prepaid at purchaser's expense, with a copy of the original sales receipt. This warranty does not apply to any product exhibiting wear greater than 20% of the original material thickness, and to any defects caused by negligence, abuse, misuse, alteration, vandalism or acts of God, or to any damage caused by shipping and handling. Any removal of original HOAG Ball Basket labels and/or date code label will void this warranty. Cissel's obligation under this warranty is limited to replacement or repair of the defective Product, and no one is authorized to promise any other liability. Cissel shall in no event be liable for any incidental or consequential damages. Return only the defective portion of the HOAG Ball Basket in question (basket, handle or lid). Do not send back the entire unit, as this only adds to the freight costs (both ways).
